

*Life voices in photo:  
From the springboard of migration  
through a cascade of lifestories  
to a landscape of aging*

**February 24 – March 29, 2012**

A photovoice project - photographs, stories, and change

Bloomed 30 October 2011

Dandelion – symbol of individuals with a strong will that have the ability to bloom even during late autumn days

Värdshusvägen 7, Fittja gård, Fittja  
08-531 850 21 (reception och växel)  
<http://mkc.botkyrka.se/forskning/gemensamma-projekt>

**Opening: February 23, 2012, 16:00-18:00**  
**Open lecture: March 22, 2012, 16:00-17:00**

*Creating inclusive communities: Challenging the status quo through a multi-national innovative integration of ethnography and photovoice among elder migrants  
(Funded by the Toyota Foundation Grant D10-R-076)*
